## संदेश

महात्मा गांधी स्मृति चिकित्सा महाविद्यालय, इन्दौर प्रदेश का ही नहीं अपितु देश का एक अत्यंत प्राचीनतम, गौरवमयी परम्परा निभाने वाला संस्थान है, जिसे चिकित्सा शिक्षा एवं स्वास्थ्य सेवाओं के उत्कृष्ट केन्द्र के रूप में जाना जाता है। इस संस्थान में विभिन्न स्नातक एवं स्नातकोत्तर मेडिकल विषयों के छात्रों को सतत प्रशिक्षण दिया जा रहा है।

स्वास्थ्य सेवाओं के केन्द्र के रूप में वर्ष 1848 में किंग एडवर्ड मेडिकल स्कूल की स्थापना की गई थी। तत्पश्चात लगभग 74 वर्ष पूर्व मेडिकल स्कूल का उन्नयन कर महात्मा गांधी स्मृति चिकित्सा महाविद्यालय की स्थापना की गई। इस गौरवमयी 140 वर्षीय इतिहास में महाराजा यशवंतराव चिकित्सालय, शासकीय कैंसर चिकित्सालय, दंत चिकित्सा महाविद्यालय, कॉलेज ऑफ नर्सिंग, चाचा नेहरू बाल चिकित्सालय एवं अनुसंधान केन्द्र, मानसिक चिकित्सालय एवं मनोरमा राजे टीबी चिकित्सालय आदि महत्त्वपूर्ण संस्थाएँ सम्मिलित हो रही हैं। इस कड़ी में कोरोना काल में सन् 2020 से एमजीएम सुपर स्पेशलिटी अस्पताल भी प्रारंभ किया गया है। इस श्रृंखला में 1997 से चरणबद्ध तरीके से सह-चिकित्सीय पाठ्यक्रम के अन्तर्गत क्रमशः स्नातक एवं स्नातकोत्तर, डिग्री, डिप्लोमा एवं प्रमाण पत्र का प्रबंधन एवं संचालन कुशलतापूर्वक चिकित्सा महाविद्यालय एवं स्कूल ऑफ फिजियोथेरेपी के माध्यम किया जा रहा है। चिकित्सा शिक्षा एवं सह-चिकित्सा का विस्तार करते हुए वर्ष 2018 में लोक स्वास्थ्य एवं परिवार कल्याण विभाग, भारत सरकार की योजना के अन्तर्गत स्टेट अलाइड हेल्थ साइंसेस इंस्टीट्यूट का गठन करते हुए अनेक सह-चिकित्सीय पाठ्यक्रम प्रारंभ किए गए। वर्तमान में स्नातकोत्तर, स्नातक, डिप्लोमा एवं प्रमाण पत्र स्तर के कुल 18 सह-चिकित्सीय पाठ्यक्रम संचालित हैं तथा शैक्षणिक सत्र 2021-22 से संस्था में स्नातकोत्तर पाठ्यक्रम की विधाओं में दो नवीन पाठ्यक्रम – एम. पी.टी ऑन्कोलॉजी एवं एम.पी.टी जिरियाट्रिक एवं स्नातक स्तर के बैचलर इन मेडिकल लैब टेक्निशियन एवं बी-एस.सी इन ऑपरेशन थिएटर टेक्नोलॉजी तथा दो वर्षीय डिप्लोमा इन कैथ लैब टेक्निशियन पाठ्यक्रम प्रारंभ किए जा रहे हैं।

वर्तमान परिदृश्य में इन पाठ्यक्रमों के महत्व के बारे में संक्षिप्त में उल्लेख करना तर्कसंगत एवं न्यायोचित होगा कि वर्तमान में चिकित्सा शिक्षा एवं स्वास्थ्य सेवाओं का प्रबंधन एवं संचालन बिना सह-चिकित्सीय कर्मचारी (पैरामेडिकल स्टॉफ) के एक दिवा स्वप्न-सा है। मेरा यह भी मानना है कि ग्रामीण एवं दूरदराज क्षेत्रों में स्वास्थ्य की मूलभूत समस्याओं के समाधान में इस प्रकार के पाठ्यक्रम आने वाले समय में अत्यंत सहायक सिद्ध होंगे।

स्टेट अलाइड हेल्थ साइंसेस इंस्टीट्यूट पाठ्यक्रमों में प्रवेश लेने वाले सभी आकांक्षियों को बहुत बहुत शुभकामनाएँ।

(डॉ. संजय दीक्षित)

## **Message**

We are all set for admission and to welcome the students of PG, UG, Diploma & Certificate Courses. The health care delivery scene is evolving at a rapid pace in India and globally and to keep abreast with the evolving need, it is our endeavour at MGM Allied Health Science Institute (MAHSI) to inculcate the best clinical and human values in the students, enabling them to stand apart in today's health care world.

The academic ambience, senior professors and researchers of MGM Medical College, M.Y. Hospital & Associated Hospitals provide a great learning experience to our students which make them excel in their respective domain.

To meet the ever-increasing need of the students of Indore and various parts of state, a new campus is ready near KEH compound, Madhumilan square, M.Y. Hospital campus. The seats in various courses have also been increased to accommodate more students. A Hostel with requisite amenities for the students is also at the verge of completion. Our institute will have collaboration with International University. Through this we will have exchange of faculty and students.

Wishing you a bright future

**MASTER OF PHYSIOTHERAPY (MPT<sub>h</sub>): 2 Years**

MGM Allied Health Sciences Institute (MAHSI), MGM Medical College Indore is the 1<sup>st</sup> Govt. College to start MPT courses in Madhyapradesh in the year, 2012. Starting with four specialities Orthopaedics, Neurology, Sports and Cardiothoracic. The institute has over the years developed as a center of excellence for physiotherapy and presently runs 07 specialities with geriatrics and oncology starting from the current academic session.

**Introduction of Physical Therapy Profession**

This field offers graduate training for individuals interested in research related to optimizing Physical Therapy practice. Research in this field comprises investigations that are dedicated to understanding the mechanisms underlying physical mobility with a focus on contributing to either basic knowledge or the elements of physical therapy practice, which includes assessment, evaluation, diagnosis, prognosis, treatment, outcome measurement, and risk & prevention. New knowledge generated by these types of studies allow a person with physical limitations to achieve maximum function following injury and/or prevent secondary conditions associated with aging and/or chronic disease and disability. Research training is offered to individuals from a variety of disciplines in a number of diverse topics related to Physical Therapy including: Sports Physiotherapy and Fitness, Biomechanics, Orthopedic Physiotherapy, Cardiopulmonary Rehabilitation, Exercise Physiology, Motor Control and Neurosciences, Child Health, Geriatrics, Professionalism, Knowledge Translation and Continuing Competency, Musculoskeletal Rehabilitation, Therapeutic Modalities, Manual Therapy and various Advanced Neuromuscular Techniques.

**AIM :**

The course aims at imparting in depth both the theoretical basis as well as the therapeutic skills in the art and science of Physical Diagnosis and Physiotherapeutic, so as to practice the profession in a Competent manner towards those who need such services, with autonomy in quality care, assurance and maintaining the humanitarian approach of service with compassion.

## **OBJECTIVE:**

1. Acquisition of adequate theoretical and the practical knowledge foundation in the basic medical subjects.
2. Proficiency in the skills of basic physiotherapy procedures and techniques with adequate theoretical basis of allied science.
3. Ability to detect patho-physiological impairment of structural and functional deviations by using methodology of physical diagnosis to evaluate the disability prognosis.
4. Competency in imparting the physiotherapeutic measure of specific choice towards preventive, curative, symptomatic and restorative or rehabilitative goals.
5. After achieving competency and skill a physiotherapist should practice physiotherapy, and carry out treatment as an independent practitioner or in consultation & reference with other medical practitioners.
6. To train the post graduates as **clinician** to independently evaluate, assess, diagnose, prescribe, plan and practice physiotherapy in a competent manner.
7. To train the post graduates as an **academician** and undergraduates in strong physiotherapeutic knowledge base, critical thinking and to develop strong evidence base regarding planning of treatments.
8. Acquisition of moral and ethical codes and conduct of professional practice in a dedicated manner with the patient welfare as the primary responsibility.
9. To develop **proficiency in leadership skills** as a team leader and to plan, critically appraise and administer the physiotherapeutic treatments
10. To train the post graduates as an **able researcher** to analyze and critically appraise the existing physiotherapeutic literature, scientifically write and peer reviewing articles, statistically appraisals and updates.
11. Preparation of a postgraduate student towards his/her professional autonomy with self regulating discipline at par with global standards.
12. Formation of base of the professional practice by referral as well as first contact mode using evidence-based practice.
13. Imparting research basis in order to validate techniques & technology in practice to physiotherapy.
14. Educating a student with concept of quality care at the institutional as well as the community levels.
15. Inculcation of appropriate professional relationship in multidisciplinary set up, patient management and co-partnership basis.
16. Preparation of students to address problems related to health education and community physiotherapy.
17. Practicing the concept of protection of rights of the community during referral as well as first contact practice.
18. Incorporation of concepts of management in physiotherapy.

## **Course Outlines**

The Masters Degree in Physiotherapy is a two-year program consisting of classroom teaching, self academic activities and clinical posting. In the first-year theoretical basis of physiotherapy is refreshed along with research methodology and biostatistics. The students are rotated in all areas of clinical expertise during this period. They are required to choose their study for dissertation and submit a synopsis. During the second year the students will be posted in their area of specialty.

They are required to complete and submit their dissertation. The learning program includes Seminars, journal reviews, case presentations, case discussions and classroom teaching. The students are encouraged to attend conference, workshop to enhance their knowledge during the course of study. At the end of the first-year institutional examination will be held at institute and at the end of Final (Second) Year MPMSU, Jabalpur will be conducting the university examinations.

### **Curriculum:**

During MPT, students will have didactic lectures including the physiotherapy ethics, various organization rules and administration principles in Physiotherapy with basic physiotherapeutic sciences, research methodology and biostatistics. Lecture/Demonstration sessions, journal clubs, recent advances etc. will be part of the curriculum along with the respective subjects. Apart from informative lectures, recent advances, continuing physiotherapeutic education, journal appraisals from the internal lecture sessions, eminent guest lectures will be delivered pertaining to the respective specialization.

### **Clinical exposure:**

The MGM Allied Health Sciences Institute (MAHSI) is attached to various associated hospitals of MGM Medical College, Indore including more than 950 bedded M.Y Hospital, Superspeciality Hospital, MRTB, Cancer Hospital, MTH, Chacha Nehru Bal Chiktsalaya that provides adequate clinical exposure to the students. The post graduates will be posted in the rotation in various departments/hospitals in first year whereas second year will be pertained only to specialty postings. Apart from the department posting, external postings will include various hospitals and sports institutions (the cost of visit outside the Institute shall be borne by students himself/herself) to equip post graduates with the knowledge nationwide. This program provides students with the opportunity to obtain the advanced educational requirements to practice physical therapy, concurrent with the academic training to perform independent research in a topic related to physical therapy.

### **Methods of Training**

The training of post graduate students for MPT degree shall be on a full-time pattern with graded responsibilities in the management and treatment of patients entrusted to his/her care. The participation of all the students in all facets of educational process is essential. Every student should take part in seminars, group discussions, clinical rounds, care demonstrations, clinics, journal review meetings & CME. Every student should be required to participate in the teaching and training programs of undergraduate students. Training should include involvement in laboratory experimental work and research studies.

# MGM Allied Health Sciences Institute (MAHSI) MGM Medical College, Indore (MP)

## RULES & REGULATIONS FOR MASTER OF PHYSIOTHERAPY (MPT) COURSE

### Eligibility:

1. Candidates should be of Indian Nationality; preference would be given to M.P State Domicile candidate.
2. A candidate seeking admission to the course must have passed a full-time regular Bachelor of Physiotherapy/B.Sc. in Physiotherapy course from a recognized University by U.G.C. along with completion of all requirements of the degree course including completion of Internship before counseling of the current academic session 2021-22.
3. He/She must be registered with MP Paramedical Council, Bhopal. Those candidates who have applied for registration and have not yet received the Registration certificate must attach a photocopy of PMC acknowledgement receipt.
